International Journal of Management and Fuzzy Systems (<http://www.ijmfs.org>) is really excited to announce the new special issue *Fuzzy Modeling Systems in Engineering, Science and Technology* (<http://www.ijmfs.org/sinfo/353003>). This Special Issue represents an effort to capture current developments in Fuzzy Modeling Systems. Novel insights as well as fundamental research and analysis around the topics are welcomed. We are eagerly looking forward to seeing various authors' submissions along with their ingenious works.

Call for Paper

Potential authors are humbly requested to submit an electronic copy of their complete manuscript by

<http://www.ijmfs.org/submission>

Submission Deadline	May 10, 2020
Publication Deadline	Jul. 10, 2020

Topics of Interest include (but not limited to):

- ♦ To foster the researchers to present their recent and inventive research works
- ♦ To disseminate the quality inferences of the research to the global community
- ♦ To promote the sustainability of mankind with flexible Fuzzy models
- ♦ To build network between Fuzzy experts and researchers for enriching scientific innovation
- ♦ To persuade young researchers to publish articles of high eminence and creativity with practical utility
- ♦ To expound several Fuzzy Models nexuses with other domains of Mathematics

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
